

This is the Welcome page of Our Application  
Which shows List of Customers in Database

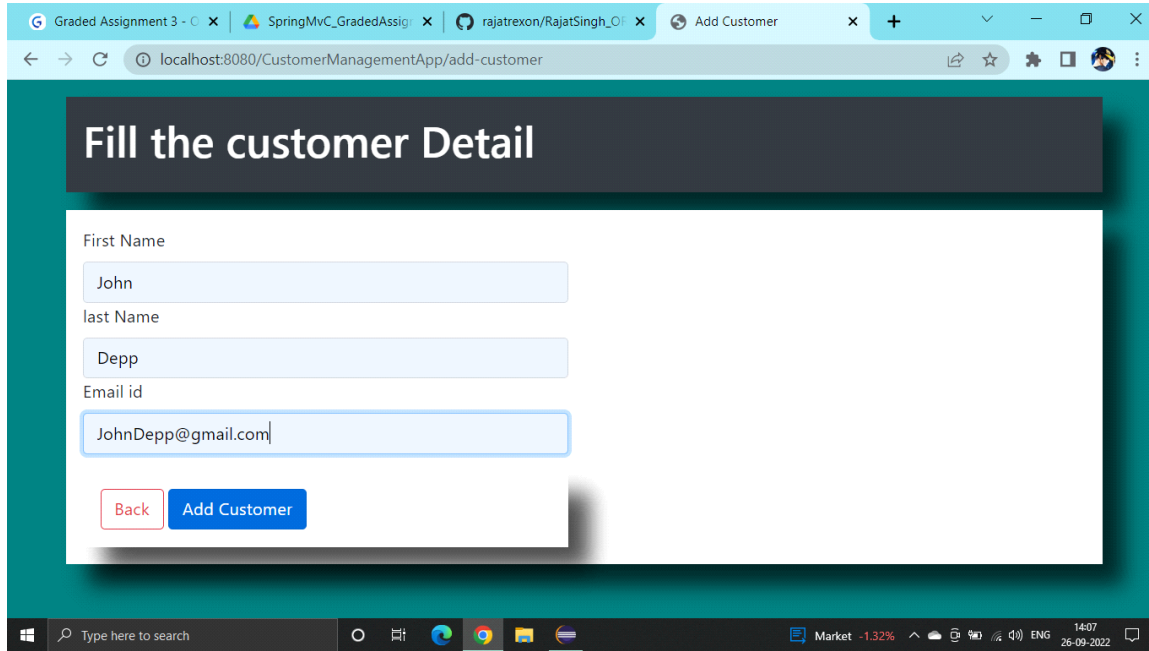

The screenshot shows a web browser window with multiple tabs. The active tab is 'CustomerManage' at the URL 'localhost:8080/CustomerManagementApp/'. The page has a teal background. At the top, a dark grey banner contains the text 'Welcome to Customer Management App'. Below this, there is a white box with a green 'Add Customer' button. Underneath the button is a table with customer data. The table has five columns: '#', 'First Name', 'Last Name', 'Email id', and 'Action'. There are three rows of customer data. The 'Action' column contains a red trash icon and a blue user icon for each row. The Windows taskbar is visible at the bottom, showing the search bar, task view, and system tray with the date '26-09-2022' and time '14:06'.

This is Update-Customer details page where you can update existing Customer Details

The image shows two screenshots of a web application running on a local host. The top screenshot displays the 'Update the Customer Detail' page, which has a form for updating customer information. The form fields are: First Name (Johnny), Last Name (Depp), and Email id (JohnnyDepp@gmail.com). There are 'Back' and 'Update Customer' buttons at the bottom of the form. The bottom screenshot shows the 'Welcome to Customer Management App' page. It features an 'Add Customer' button and a table listing existing customers. The table has columns for ID, First Name, Last Name, Email id, and Action. The table contains four rows of customer data. The browser's address bar shows the URL 'localhost:8080/CustomerManagementApp/update/8' for the top page and 'localhost:8080/CustomerManagementApp/' for the bottom page. The Windows taskbar at the bottom shows the system clock as 14:07 and 14:08 on 26-09-2022.
